BdII Douros, Superintendent,  
Stephanie Harlan, Sanctuary Advisory Council

Dear Mr. Douros and Ms. Harlan:

The three members of our household had hoped to attend the Sanctuary Advisory Council meeting tomorrow in Cambria to express our support for placement on the Advisory Council's future agendas open discussion of the possible expansion of the Monterey Bay National Sanctuary south to include the coastline by Morro Bay. Unfortunately, unexpected commitments prevent us from attending.

In our community of Morro Bay it happens from time to time that the usual civic institutions which should provide for diversity of dialogue fail to do so. This has happened in the case of the discussion regarding the possible expansion of the sanctuary. Be assured that there is much support for a serious consideration of expansion. Hearings by your Council are much needed.

Thank you for your consideration. And please share this letter with whomever is involved, such as all Advisory Council members I presume, in deciding what goes on your agenda.

Sincerely,
